We may use cookie technology as part of our websites statistical reporting. A cookie is a small piece of information sent by a website that is saved on your hard disk by your computer's browser. It holds information a site may need to personalise your experience and to gather web site statistical data, such as which pages are visited, what is downloaded, the internet provider's domain name and country that our visitors come from and the addresses of sites visited immediately before, and after, coming to our site. However, none of this is associated with you as an individual. It is measured only in aggregate. The information in the cookies lets us trace your "click stream" activity (i.e., the paths taken by visitors to our site as they move from page to page.) Cookies do not capture your individual email address or any private information about you.

We also use standard web server log files to help us count visitors and evaluate our site's technical capacity. We use this information to find out how many people visit our site, help us arrange the pages in the most user-friendly way, keep the site browser-friendly, and to make our pages more useful to our visitors. We record information on site traffic but not information on individual visitors to our site, so no information about you in particular will be kept or used.

## Spam Act

Spam is a generic term used to describe electronic 'junk mail'- unwanted messages sent to a person's email account or mobile phone. In Australia, spam is defined as 'unsolicited commercial electronic messages'.

'Electronic messaging' covers emails, instant messaging, SMS and other mobile phone messaging, but not cover normal voice-to-voice communication by telephone.

Vantage Global Prime complies with the provisions of the Spam Act when sending commercial electronic messages.

Equally importantly, Vantage Global Prime makes sure that our practices are in accordance with the Australian Privacy Principles in all activities where they deal with personal information. Personal information includes our clients contact details.

## 'Do Not Call' Register

Unless you call 1300 858 952 and ask us not to contact you about products or services and not to disclose your information to others for that purpose; by accessing our website [www.vantageprime.com](http://www.vantageprime.com) you consent to us contacting you by telephone while you hold any product or receive any services from us notwithstanding registration at any time of your telephone number on the 'do not call' register.

## **Internal Procedure for dealing with communications**

The three key steps Vantage Global Prime follows:

- Consent – Only commercial electronic messages are sent with the addressee's consent – either express or inferred consent.
- Identify – Electronic messages will include clear and accurate information about the person and the company that is responsible for sending the commercial electronic message.
- Unsubscribe – We ensure that a functional unsubscribe facility is included in all our commercial electronic messages and deal with unsubscribe requests promptly.

### **Consented to such communications**

Commercial messages will only be sent to you when you have given consent. This may be express consent – a direct indication that it is okay to send the message, or messages of that nature or inferred consent based on our business or other relationship with you and your conduct.

### **Comply with the law regarding viral messages**

Vantage Global Prime ensures that Commercial Communications that include a Forwarding Facility contain a clear recommendation that the Recipient should only forward the Commercial Communication to persons with whom they have a relationship, where that relationship means that person could be said to have Consented to receiving Commercial Communications.

### **Comply with the age sensitive content of commercial communication**

Where the content of a Commercial Communication seeks to promote or inspire interaction with a product, service or event that is age sensitive, Vantage Global Prime will take reasonable steps to ensure that such content is sent to Recipients who are legally entitled to use or participate in the product service or event.
